Warren D. Johnson, Director
Defense Nuclear Agency
Washington, D.C.

Dear Mr. Johnson:

The Environmental Protection Agency has received and reviewed the draft environmental statement for the following proposed action, Clean Up, Rehabilitation, Resettlement of Enewetak Atoll, Marshall Islands.

EPA's comments on the draft environmental statement have been classified as Category ER-2, specifically environmental reservations pending the resolution of comments noted in the attachment to this letter. Definitions of the categories are provided on the enclosure. The classification and the date of EPA's comments will be published in the Federal Register in accordance with our responsibility to inform the public of our views on proposed Federal actions under Section 309 of the Clean Air Act. Our procedure is to categorize our comments on both the environmental consequences of the proposed action and the adequacy of the environmental statement.

EPA appreciates the opportunity to comment on this draft environmental statement and requests one copy of the final environmental statement when available.

Sincerely,

Paul De Falco, Jr.
Regional Administrator
